Ollivanders Wand Recruitment team

April 8th, 2014

*Ollivanders Wand Shop, South Side,
Diagon Alley,
London, England*

Dear Sir or Madam,

"I'm the sixth in our family to go to Hogwarts. You could say I got a lot to live up to. Bill and Charlie have already left – Bill was Head Boy and Charlie was captain of Quidditch. Now Percy's a prefect. Fred and George mess around a lot, but they still get really good marks and everyone thinks they're really funny. Everyone expects me to do as well as the others, but if I do, it's no big deal, because they did it first."

"Fred and George tried to get me to make one [Unbreakable Vow] when I was about five. I nearly did, too, I was holding hands with Fred and everything when Dad found us. He went mental. Only time I've ever seen Dad as angry as Mum. Fred reckons his left buttock has never been the same since!"

Yours faithfully,

Ronald Bilius Weasley
